Designing Challenge-based Education

Paul W Chan
Professor, Design and Construction Management
Faculty of Architecture and the Built Environment
Delft University of Technology
Email: p.w.c.chan@tudelft.nl

Constructing Futures as a Starting Point

Activating through Art

---

Returning back to Leadership... for Transitions

---
Closing Thoughts and Reflections

- Management-in-action
- Unsettled science?
- Embodied experience and activating the senses
- Role of the teacher
- Linking learners/teachers, researchers and society
